Community Sailing Instruction Program  2015 Season

The College of Charleston Sailing Program offers non-credit, adult community sailing classes from April through August. The classes last nearly three weeks and include 15 hours of on-the-water instruction and two, 2 hour long classroom sessions. These classes are a maximum of 18 with only three students per boat. Our new J/22, 22 foot keelboats are safe, yet responsive and are among the most widely used instructional boats in the nation. Our boats have been modified for instructional purposes, allowing for ideal learning situations and a comfortable exciting sailing experience. Our College of Charleston sailing complex is located in the Patriots Point Marina in Mt Pleasant, adjacent to the Charleston Harbor Resort and Marina Hotel. Once on the main marina dock, turn right towards the Yorktown and follow the signs to C of C Sailing. Please feel free to visit the sailing center, inspect our fleet, and talk to our friendly staff, Ned Goss or Jacob Raymond.
